

A special meeting was held in the commissioners office on April 7, 1982. There was discussion of the 1982 superintendents for the fair. They needed to be decided because they are printed in the premium book which is going to print soon.

The parking lots and camper parking was also discussed at length. Mike Booker is checking into the possibility of getting more hook ups for the campers. The charges and registration of the campers will be discussed at the next regular meeting.

Carol Crossen made a motion that we place a superintendent in charge of camper parking. Donna Lindbloom seconded motion carried.

We also discussed the moving of the horse barn. Ron Ensor made a motion that we find the \$2000 needed for the moving of the horse barn, which also included the reconstruction of the building, hoping that the commissioners will match or help in this project. Tom Frees seconded, motion carried.

Tom Watters made a motion that the closing time of the final day of the fair be 7:30, the rodeo starting at 7:30, and the horses being moved by 6:00. Donna Lindbloom seconded, motion carried.

Donna Lindbloom made a motion that we make a call for bids for the Premium book to be opened on May 3rd in the commissioners office. Carol Crossen seconded, motion carried.

Donna Lindbloom made a motion that we transfer the \$10,000 to account 650 special projects, which was set aside for the Special Project at the fair grounds. Tom Frees seconded, motion carried.

We also had gotten three bids for the furnace in the fair building. Donna moved to accept the Kohler Tower United bid of \$4494, which was the lowest bid of the three. Mike Booker seconded, motion carried.

Meeting was ajourned.
