

The Special Meeting of the Lincoln County Fair Board was called to order by Vice-President Bob Rambo. There were gentlemen from Harrington representing the Chamber of Commerce, the City of Harrington, and the Harrington Lion's Club. They have had Harrington Fall Festival for 38 years on the 4th Sat of September, and they came to ask that we keep our fair dates the same as they have been.

There was a representative from the ^{Lincoln County} ~~Wilbur~~ Pamona Grange asking that the dates be held the same as they have been because they take their winning grange booth from the Lincoln County Fair to the Waterville Fair, which is the same as State fair for the Granges in this area.

After a lot of discussion, it was suggested that we leave our fair dates the same as they have been. Maybe things can be done to promote more activities at the fair, thus drawing in a bigger crowd. We need to look into getting the school and the fair working together more, and also work at getting the communities involved more, have some sort of cooperation between schools, towns, clubs, etc.

A motion was made and seconded to leave the fair dates as Thursday, Friday and Saturday and Sunday for the tractor pull. Motion carried.

After a lot of discussion concerning activities at the fair, and how to get things accomplished the meeting was adjourned until November 16th, the regular meeting date.

Respectfully submitted

Cynthia Sleed, Secretary

Bob Brooks, President

The Lincoln County Fairboard held its regular meeting, November 16, 1983 at the Lincoln County Fairgrounds. The meeting was presided by a pot-luck dinner honoring the Superintendents of the Fair. The meeting was called to order by President, Bob Brooks. Minutes of the last regular meeting were read, and approved as read. The Minutes of the Special meeting were read. A motion was made and seconded to accept the motions of the special meeting. Motion carried.

The bills were presented in the amount of \$706.69. A motion was made and seconded to pay the bills. Motion carried.

The secretary gave a report of the amount spent on the fair through the revolving budget. It appeared that everyone was satisfied with the explanation.

This meeting was set aside for the superintendents to bring their suggestions, and criticisms to the fairboard. However, only 5 supers. were present. One suggestion was to have beef judging held on Friday instead of Saturday. The judging needs to be broken up between the two days. The schedule needs to be re-worked so activities are more evenly spread out. A motion was made and seconded to appoint a committee of John W. Dennis H. and Lloyd T. to work the schedule out for the judging of livestock. Motion carried.

The fairboard made \$134. on the last concession they had during the auction in November. A motion was made and seconded to have the fairboard work the concession during the Art, Craft and Gift Fair in December. Motion carried. A schedule was worked out for the three day affair.
