

**LINCOLN COUNTY FAIR BOARD MEETING MINUTES
AUGUST 15, 2008**

Gerry called the meeting to order at 6:40 pm. In attendance were Lydia, Phil, Joan & Stephanie Stauffer, Gretchen, Dan and Sharon.

Dan gave a report about what's been happening on the fairgrounds. He reported on items that needed to be done prior to the fair. But most everything is ready to go.

Pens are ready for set up and the hog barn is already done. The goat & sheep barn are being completed Saturday.

There is a broken pipe in the RV area. Dan & Gerry will fix it. The fair has hired 4 employees for the week; Ryan & Gavin McGowan, Nathan Batchelder and Shawn Young.

We may have to rent a back hoe from DBS to fix the broken pipes.

Dale inquired about which rodeo day was designated "Tough enough to wear pink"? Stephanie will check into it.

Stephanie reported that the royalty luncheon will be at 3 PM on Saturday, by the Floral Building.

The contestants for the 2009 Rodeo Royalty are Stephanie Wilson, Corinne Kinney and Taylor Rounds.

Joan reported that the quilt department will begin setting up on Monday.

Entertainment Warehouse will be here on Monday to set up their big tent.

The Graphix Edge T-shirt van will not be coming this year. We have preordered t-shirts from Spokane to sell. We will see how well that goes over.

Lydia reported that there are more horse kids this year than in recent years. The horse display cases (rabbit hutches) have been repaired and are ready for use.

The chicken dinner items have been ordered.

The office will handle the Ag Display.

The golf carts need to get here somehow!!! Gretchen & Gerry will check with John Merkel to see if we can borrow a rig to get them here.

The board decided to have a chicken plop raffle. Sharon will make tickets for the raffle.

Evergreen Implement is donating the use of the gator for Dan.

Everything is full steam ahead for the fair.

The next meeting will be on September 26th at 6:30 pm.

Respectfully submitted,

Sharon Nighswonger
