

Special Lincoln County Fair Board Meeting--June 12, 1986

Don, John, Lois, Betty and Steve met to move money from the budgeted accounts to be put into the revolving fund when Lois wishes to set it up.

At 8:00 that same evening, John, Don, Betty, Steve, and Annie interviewed the finalists that had applied for the job of secretary for the fair. Only two of the three finalists were available at this time and we agreed to hire Jeri Young at the wage of \$5 per hour and we also agreed to pay her for using her vehicle to run errands.

The group also briefly discussed the fair dance and having a dance at the Memorial Hall. This will be checked into and brought up at the regular meeting.

Special meeting was adjourned.

(for Pioneer Days)

Secretary,
