

LINCOLN COUNTY FAIR ADVISORY BOARD
DECEMBER 16, 1992 7 PM
MEETING MINUTES

Present: Bob, Karen, Gerry, Celeste, Orville, Linda

Guests: Howard, Lydia

The meeting was called to order at 7:15 PM. The corrected minutes of the November meeting were approved.

Treasurers report - Pre-approved bills were paid. At the end of November we had a cash balance of \$7,918.26 and \$60,000 invested. Gerry and Bob have met with the commissioners regarding the '93 budget. Since we have found ways to increase our revenues, save money and do not operate in the red the commissioners have cut our '93 budget request. Gerry will have the final cuts for us at the next meeting.

Gerry reported that 2 buildings have been broken into and items stolen from stored vehicles. We are not sure yet if renters will be turning in claims.

Orville reported that we will probably not have the carcass trailer for 93.

The city wants to exchange some land we use for parking for land in the arena area to use for a well housing.

Gerry, Orville and Bob will work on the rent schedule.

Celeste asked if Reardan Mule days can borrow picnic tables for their bar be que. A motion was made, seconded and approved that they could and they will be charged \$1.00 per table. These fees will be added to the rent schedule.

The meeting adjourned at 8:15 PM.
