Much discussion centered around a 4-H newsletter that stated, "chaps are not required". Mike Booker pointed out that rules for horse showing adopted by the Board last year requires this. Horse Regulations "C" (page 18 of 1968 premium book) No. VII. reads: "Show rules subject to the authority of "American Horse Rule Book". This authority specially states that for 2 classes, "Western Pleasure" and Western Equitation", "hats, chaps, boots, rope, etc." must be used. Motion by Les Wilcox, seconded by Mr. Deife, that the rules listed in the Fair book must be followed. Carried. Mr. Brown is to be notified of this error in the 4-H newsletter and have it corrected in the next newsletter.

Discussion of portable 4-H pop stand. The material is here and the building is underway at the Vo-Ag. shop. Mike Booker donated plywood, remainder of the material needed was brought through Harrington Standard Lumber Company.

President McKay reported he had attended at Fair District meeting at Pasco. The State Fair Convention is to be in Yakima November 13 and 14, 1969.

It was reported the Grant County Fair at Moses Lake has a 40' x 100' building for displays from local County schools. The displays are of school work, such as science projects and art works. Displays from all grade of schools. It was wondered if our County schools would be interested in making such a display. Such a display would help furnish entertainment to our teenagers, which is one of our main problems.

Changes for the 4-H Department were submitted. After reading and discussion, Mr. Plotts moved, and it was seconded by Clarence Wagner the 4-H changes be accepted. Carried. Changed, as submitted, attached below.

April 1, 1969 (con't)

Discussion of the need of someone, or some organization, to be in charge of the Fair Dance. Motion by Mike Booker we turn the dance over to an organization with 20% of the net to come to the Fair. Seconded by Mr. Deife. Carried. Mike to contact several organizations that might be interested.

The regular meeting night for the Fair Board is to be changed to the second Tuesday of each month, instead of the first Tuesday.

Meeting adjourned.

Discussion of the condition of the Queen's robe. It had been reported to be in poor condition. Secretary said it was not too many years ago a new robe was made by the Fair Queen, a Reardan girl. The Fair had purchased the material and the girl had made the robe. Motion by Bea Teel, seconded by Mike Booker, Mrs. Schultz check the condition of the Queen's robe and if she feels it needs replacing, she have the authority to do so. Carried.

Ronald Barbee met with the Board regarding a public address system for the Fair building. He said the Newcomb Public Address was very good. Suggested the Fair have Orville or Virgil Rux check out our present system before purchasing a new one. They are both experts in this field and can tell the Fair whether or ~~it~~ not it should be replaced.
